

# Christmas 2023

Nothing says luxury quite like Christmas at Leigh Court. Impress your staff and clients with a Christmas party in a Grade II listed mansion.

If you're looking for a venue to host a Christmas party for your business or brand, Leigh Court should be at the top of your list. A truly magnificent suite of 19th century rooms can be reserved for your exclusive use, including the Great Hall which boasts one of the South West's few surviving 19th century floating staircase and the golden tapestry room, a gorgeous backdrop for a Christmas banquet.

Our experienced events team and a personal event coordinator will work with you to ensure that your party is enjoyed by everyone.

Exclusive use gives you the freedom to decorate the venue however you choose: project your branding onto the front of the building, hang banners from the gallery, or turn the Great Hall into a casino — how you celebrate is up to you.

Bespoke packages are available on request.
